REMINDERS TO THE ATTENDING PUBLIC: Please mute all digital devices; Budget Committee meetings are open to the public, but the public may not speak unless recognized by the Chairperson first. **Workshops:** The public is welcome to attend workshops and listen to the discussion that takes place. The purpose of holding a workshop is to provide the Budget Committee with the opportunity to focus on specific town matters to later present at a regular business meeting. Therefore, public participation is limited to only regular business meetings of the Budget Committee.
