

**NORTH YARMOUTH COMMUNICATIONS ADVISORY COMMITTEE**  
**October 7, 2019**  
**Minutes**

**Attending:** Debbie Grover, Katie Murphy, Christian Edmondson, Kathy Whittier

Minutes of previous meeting: Accept as printed: Katie/Kathy. VOTED.

**OLD/CONTINUING BUSINESS**

Newsletter: The sample template created by Rosemary and Debbie was reviewed with the committee. There was discussion of including the bios for the folks running for the Water District seat, but they came in after the deadline. Something should go in the newsletter – it can be reorganized if necessary.

Celebration: We are waiting to hear from Anne Graham about whether she wants our support for advertising the event. It will be posted on the changeable sign at the hall. The town office will announce the new director soon, perhaps next Select Board meeting. Debbie will contact Annie about advertising deadlines.

**NEW BUSINESS**

Meetings: When and how often do we really need to meet? Quarterly? Every 2-3 months?

Traffic calming: Chris noted that there didn't seem to be sufficient information available about what was going to happen with the project.

Next meeting: Monday, January 13, 6:30 pm, Downstairs Meeting Room.
