

April 24, 2018 NYEC MEETING MINUTES

Present: Donna Palmer, Brenda Bacall, Sue Pynchon, Jason Raven, Emma Raven, Ginny Van Dyke (guest)

Celebrate the parks event: An event is being planned for spring 2019 to celebrate the parks and trails in North Yarmouth. There would be a rubber duck race in May on the Royal River. Preceding this will be a several-week "passport," similar to the National Park passport (there will be a different stamp at every park; the goal is to get every stamp). There may also be a scavenger hunt throughout the parks during the spring or summer. These events will be done in conjunction with Living Well in North Yarmouth and the Parks Committee.

Pumpkin race: A pumpkin race is being planned in conjunction with Living Well in North Yarmouth. Participants will decorate a pumpkin and attach wheels to it before bringing it to a race in October.

Summer concerts: The National Guard band has not given us more information about a potential concert date. The Greely Jazz combo will most likely perform, date TBD. When the concert dates and times are confirmed, they will be advertised in a newsletter sent by the Communications Committee and on Facebook.

Fun Day

Cribbage and horseshoes: A cribbage tournament will be held at Fun Day. There will not be a horseshoes competition.

Inflatables: Inflatables for Fun Day are secured. There will be a bouncy house and an inflatable obstacle course.

Recycling: There will be a separate container for returnable bottles and cans next to the trash cans at Fun Day.

T-shirt design contest: Emma will make a poster for the contest. It will be on Facebook and at locations around North Yarmouth and Greely High School. (See the poster below)

Distinguished citizen: The recognition of the distinguished citizen may take place at a different time (instead of during the opening ceremony) to increase attention during the presentation.

Next meeting: May 24 at 6:30 pm at the North Yarmouth Fire Station

Fun Day 2018 T-shirt Design Contest

The North Yarmouth Events Committee is looking for T-shirt designs that represent the circus theme for Fun Day 2018. We're excited to see the great designs our talented community members create for the Fun Day book and T-shirts!
