

Wescustogo Meeting

03/16/17

In Attendance:

Rod Duckworth

Paul Hodgetts

Clark M Baston

Brian Sites

Steve Friedrich

Darla Hamlin

Steve Barr

Jennifer Smith

Barrett Made

The meeting began with Barrett Made showing us the schematic floor plan with a few new changes.

They consist of

- a potential 6-7 feet available than first thought in multipurpose room area
 1. allows for better space
 2. looks like we can save plumbing so it will have a restroom - 12/13 on floor plan schematic
- added additional capacity to bathrooms nearest the hall – 3 on floor plan schematic
- added some additional space in the mechanical/storage area
- Still able to retain existing mechanical location for new systems and additional storage - 8a and 8b on floor plan schematic
- kitchen will be accessible from both sides – the hall and the hallway – 5 on floor plan schematic
- reconfiguration of kitchen

**Darla asked to have a roll up wall to be accessible to gym

- additional gym storage – 8c on floor plan schematic
- stage – 12 on floor plan schematic
 1. will be walled off from 13 on floor plan schematic but since it's not going to be a music room it does not need to be as sound proof
 2. additional bathroom
 3. increased 6-8 feet

We discussed the interior finish – Barrett Made is recommending

- reclaimed barn wood
- high gloss white trim
- granite
- porcelain tile
- hardwood or engineered floor

Discussed fundraising potential

- naming potential for meeting halls
- name inscriptions on donated materials
- community engagement
- sense of ownership and pride
- discussed how much we felt we could reasonably fund raise
 - 725,000.00 dollars is out target

Steve Barr discussed strategies for fund raising and agreed to chair the subcommittee for the fund raising

Darla and Jen to meet with Rosemary on Friday as Rosemary has some topics for fund raising she would like to go over

Talked about elder community not being able to get to meetings and how to reach them.

Meeting adjourned
