

Approved notes from last meeting

Questions as to whether the insurance covered the basement as square footage and the equipment that was in it

Question about insurance \$ - \$526313.69

Selectmen want to add a \$500,000.00 bond to next vote

It has been brought to our attention that more money may be possible from insurance company if pursued

Objectives for future meetings

Kaplan Thompson smart design meeting May12th

Fortunate (sp?)– revision energy – discuss their proposal for putting in solar

Efficient Maine –

We discussed our committee responsibilities

We are just putting together the building and explaining why, what we want makes sense

Grey area – we are not going to be talking to Ben Grover until his plan has passed

There have been calls from different people with concerns

Site visits

Timber Frame - reviewed the layout of Maritime Museum which a few went to visit

liked the dividable room possibilities - the movable walls actually folded into wall pockets so they sat flush

sound proof rooms too

loved so many things but feel its way out of our budget

Large open space and amazing acoustics

20x20 kitchen very efficient

Discussed how we can go on line and find out how much they paid to build it

Local Barn not as impressive

Discussed kitchen at the church how it is small but because of layout it is very efficient

Review the building design worksheet

It was discussed how certain selectman have concerns about competition with existing rentable structures in NY

many differences between structures that we all agreed that it is a moot point

we feel it can be a big asset to create revenue from other towns without community center

discussed marketing PR communication

We agreed that it is important to communicate with the town, let them know what we are doing and what we are up to and what our purpose is. That this is a positive thing.

Jen is to put notes in the drop box

Ask Melissa to put them on the website

Facebook page to be done by Brian by this weekend

Steve Barr to write a piece for the forecaster

have it done by Wednesday 18th

Motion to have Steve B do it by Darla

seconded by Steve F.

All in favor

all set no further information to discuss

Brian adjourned the meeting
