

MARCH 28, 2024 SIDEWALK FEEDBACK FORUM & SURVEY

Learn about new sidewalk opportunities in town & share your priorities with us!

<https://www.surveymonkey.com/r/SBN998J>

Our community has a great opportunity to improve our walkability by installing new sidewalks at various locations in the Village Center area.

Grants are available from the State of Maine for this, but **FIRST**, we need feedback from our residents about what priorities we have for sidewalk use.

Is it trail access? Getting to church or school? Getting exercise? Walking your dog? Going to a store?
