

The Fences are Down!

We did it!

Thanks to the hundreds of people who joined us October 24th, 2015 as we opened the new Knight's Pond & Blueberry Hill preserve to the public.

The Chebeague and Cumberland Land Trust and Royal River Conservation Trust stepped forward to make sure that this tremendous opportunity to purchase and protect the 215 acres at Knight's Pond & Blueberry Hill for recreational enjoyment and wildlife habitat was not lost. This special place, located less than a mile from our two town centers, includes a 46-acre pond, a large block of forestland, a network of trails, critical wildlife habitat and views of Casco Bay.

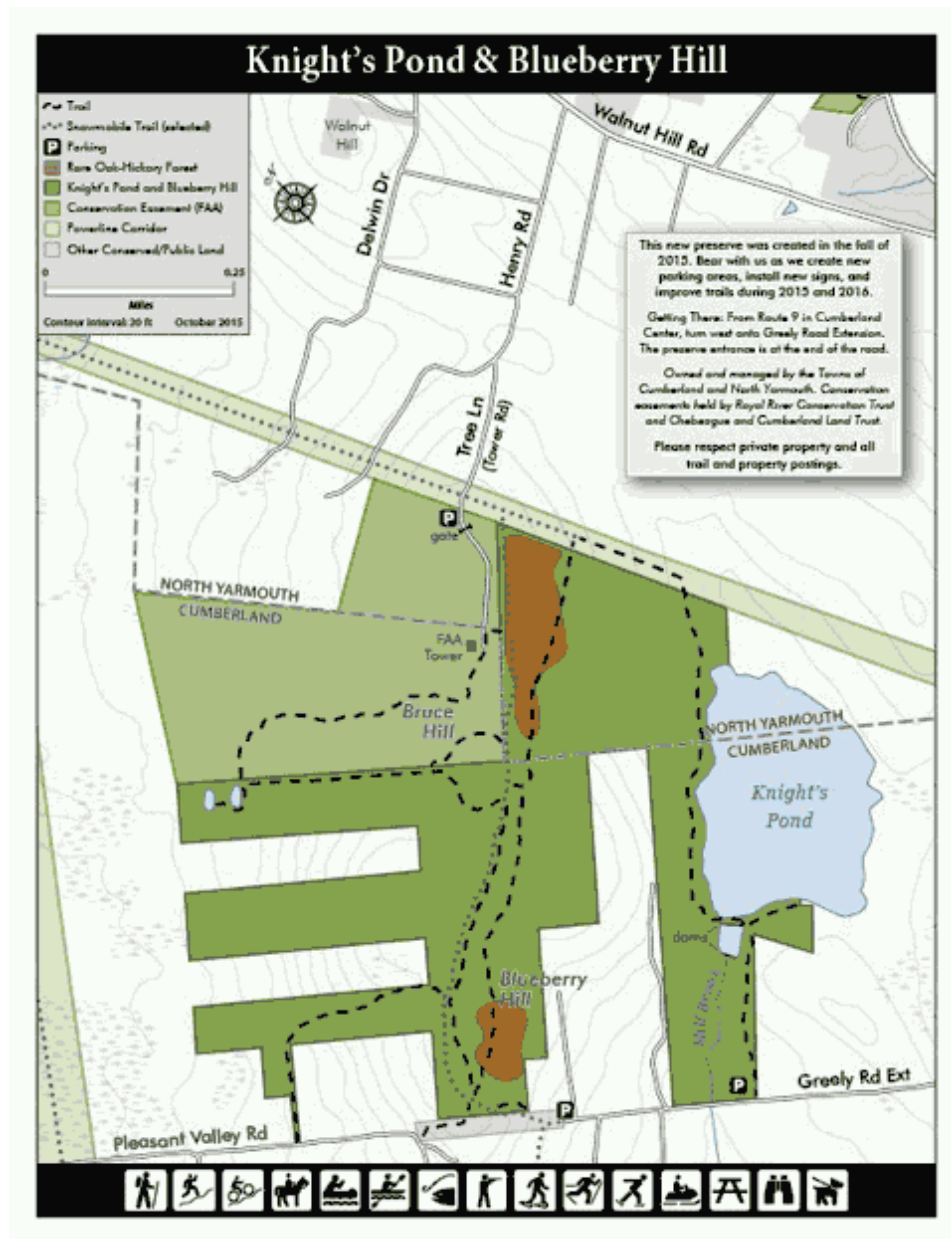

Now owned by the municipalities of North Yarmouth and Cumberland, the gates came down and the property is open to the public forever. We give a special thanks to the hundreds of local households and businesses who provided money to leverage local taxpayer contributions to the project.

Current and future generations will be able to enjoy hiking, biking, skating and other outdoor adventures at this truly amazing property.

Printer-friendly maps and preserve information is available for now <http://rrct.org/preserves-trails/knights-pond-blueberry-hill/>

The site will be updated as the Towns of Cumberland and North Yarmouth begin to create management plans and to create new public information on their new preserve.

Calling All Cribbage Fans

Cribbage Anyone?

I am looking for a few people to assist in organizing a cribbage tournament for February, 2016. Lance Brown, a resident of Portland and President of a local cribbage club has offered to provide his experience to North Yarmouth in establishing a tournament that would follow the rules of the American Cribbage Congress(ACC). My hope is to sponsor a tournament that might become an annual North Yarmouth event. The intent is to reach out to players from our community as well as other communities.

If you have interest in volunteering contact Steven Palmer at 829-5004.

Christmas Tree Lighting Party Starring Santa Claus!

Gather around the big tree in front of F.O. Bailey Real Estate at the corner of Routes 9 and 115 on Sunday, December 6th at 6pm! After some caroling, the new/old town Christmas tree will be lit for the first time in years. Afterwards, join Santa at the Fire Station and enjoy cookies and cocoa.

The NYEC would like to thank:

North Yarmouth Public Works for stringing the lights.

Rob Dransfield for reaching out to Santa.

F.O. Bailey Real Estate for providing power and letting us use their tree.

Walnut Hill Garden Club for providing goodies.

All of our sponsors for their support
(it took a lot of lights to decorate that tree!)
