Clearing Snow from Fire Hydrants

It's that time of year when we need our communities help. If you have a hydrant near your home please shovel a clear path to and around the hydrant. This will save a great amount of time if there is a fire emergency at your home or in your neighborhood. Thank you for helping keep you and your neighbors safe this chilly winter!

Introducing...

Keeping It Simple

“*Keeping It Simple*” is a new opportunity for citizens to engage in conversation with one or two of your town leaders in a comfortable, relaxed setting.

Talk about Town issues you are interested in. Share your ideas. Contribute to finding solutions.

- Every 4th Tuesday of the month - Evenings from 7 pm to 8 pm.
- Every 4th Wednesday of the month - Mornings 8 am to 9 am
- Every other 4th Saturday of the month - Mornings from 10 am to 11 am.

“Keeping It Simple” will be held in the Town Office Meeting Room ~ Refreshments will be served.

Winter Parking Ban

No Parking

The parking of vehicles upon any public highway between the hours of 12:01AM and 6AM during the period from November 15th through April 15th is prohibited.

Any vehicles parked in violations of this ordinance may be hauled away at the owner's expense in accordance with the provisions of MRSA Title 29 Sec. 4.

The Road Commissioner would like to give some tips about when our Public Works Department is plowing snow in our community.

- Be patient and keep a safe distance behind our working snow plows
- Never pass a snow plow
- Don't crowd the plow
- Move aside: Snow plows often drive along the centerline of a roadway to remove snow
- Be aware of reduced visibility

Take extra time during the winter months when driving. The road conditions can change dramatically. Thank you!

Lithium Ion Battery Fire at ecomaine

eco^omaine

In December 2017, ecomaine employees acted swiftly to extinguish a fire that rapidly expanded at its Recycling Facility. That fire was caused by a Lithium Ion battery, which should NEVER be placed in your single-sort recycling bin! Learn how to properly dispose of Lithium Ion batteries on ecomaine's free [RECYCLOPEDIA app](#).

Saturday Mornings 9am to 12noon

Open to everyone.
Come play Pickleball in the gym at the NYMS facility.

Pickleball has arrived in North Yarmouth!

Since mid –November, a diehard group of pickleball fans have played each Saturday from 9-12 pm. The gym at the former school is alive with the sounds of pickleball!

This group supports itself by donating \$3 per person per game. These donations allow the group to purchase equipment for their games.

Now, the Living Well in North Yarmouth Committee would like to offer pickleball during the day. To do this, we need volunteers who will be available to supervise. Currently, the proposed daytime pickleball schedule will be on Tuesdays and Thursday from 10am – noon. We intend to trial this program from January thru March.

We believe this is a perfect activity to promote healthy activities in our community.

Do you want to play? Contact Steve Palmer at <http://shpalmer@maine.rr.com>

MSAD#51 News

Greely Lacrosse players and volunteers will be collecting discarded Christmas trees to raise money for the Greely Lacrosse program! This year they are offering two separate pickup days for you to choose from, **Saturday, December 30th** and **Saturday, January 6th**.
