*****OLD TOWN HOUSE PARK – BOARD WALK REMOVAL*****

The Parks & Recreation committee and the Public Works Department will be removing the boardwalk that crosses the lower portion of the field near the entrance to Old Town House Park. Due to safety concerns and on-going maintenance issues, the committee has decided that this boardwalk is a hazard and is not necessary for the enjoyment of the park. Public Works will remove the boardwalk during the winter while the ground is frozen

to avoid disturbance to the field and to the wet area the boardwalk crosses. The trail will be rerouted to a location higher on the slope where it is drier and it can be maintained as a mowed path, similar to the rest of the trails in the park.

If you have questions or concerns, please call the Town Office at (207) 829-3705.

What do you do with [#polystyrene](#) foam? Unfortunately, your foam packing peanuts, take-out containers, shipping inserts, and coffee cups are not recyclable at ecomaine.

We recommend avoiding foam packaging and containers whenever possible, but you can also reuse foam for shipping and other projects. As a last resort, polystyrene should be thrown away with household trash.

Those little Box Tops on your groceries are worth so much to our community. Last year with your help, we raised over \$2,400 toward student enrichment programs through Box Tops alone, and Greely PTO's **lifetime earnings through Box Tops exceed \$50,000**. That's a lot of enrichment programming!

THE OLD BOX TOPS CLIPS

Traditional Box Tops are being phased out of production, but you can still encourage school supporters to send any remaining unexpired clips to school.

Every valid Box Tops clip is worth 10¢ for your school. They don't need to be clipped perfectly; just make sure each one has a clearly visible product acronym and expiration date.

*All valid Box Tops clips submitted per the Program Rules by a Coordinator(s) of (an) eligible, enrolled school(s) will be honored.

THE NEW BOX TOPS LABELS

Eventually the Box Tops program will become digital-only. Participating brands are starting to change their packaging from a traditional Box Tops clip to the new Box Tops label. **Please do not submit the new labels.**

If you see this label, use the new Box Tops app to scan your receipt.

Box Tops are still worth 10¢ for your school. The app will find participating products purchased at any store and instantly add cash to your school's earnings online.

This year there are BIG changes coming to the Box Tops program, including a grocery receipt-scanning program, which will eventually take the place of physically clipping Box Tops. For now, you can do both. We would REALLY appreciate your help this year, both in continuing to clip the "clip able" Box Tops AND downloading and using the app for the program. We will be continuing to collect clip able Box Tops at any time. Feel free to submit them at North Yarmouth Town Office. We also collect Box Tops at the library, all three schools, and Cumberland Town Hall. Click [here](#) for more information.
