**House Histories,
House Mysteries:**
Peeling back layers of a house's story
with author/historian Eleanor Phillips Brackbill
Sunday, March 10, 4 PM

**North Yarmouth Congregational Church
Fellowship Hall**

This illustrated talk will feature highlights from Eleanor's book, **An Uncommon Cape: Researching the Histories and Mysteries of a Property.**

Three mysteries precipitated an investigation into Ms. Brackbill's otherwise ordinary property—and as she peeled back layers of history, the house and the land began to tell stories that were inextricably woven into four centuries of American history.

Ms. Brackbill will offer insights and guidelines on how to find the stories behind your own home. She is the former curator of the Neuberger Museum of Art, Purchase College, State University

of New York. She lives in Westbrook. Refreshments served. A half-hour Annual Meeting will precede our program.

The Greely High Baseball Program is steeped in tradition and success. The program dates back to the early 1900's where despite there being only 20 male students at the Greely Institute, they fielded a team year in and year out and competed for league championships. Since the 1994, Greely Baseball has won 9 League Championships, 9 Regional Championships and 6 State Championships. Running a successful program takes a village from the youth levels to the High School team. It takes great players, coaches, community support and fundraising.

The Greely High School budget supports the program through funding of the uniforms, helmets, buses, field maintenance, baseballs and Varsity/Junior Varsity Coaching positions. This leaves the Greely Baseball Boosters to fund the First team and Assistant Varsity coaching positions, baseball bats, team sweatshirts, team awards, batting cage nets and the team banquet. The Boosters need to raise over \$12,000 annually to supplement the funding of the baseball program.

Support Greely Baseball by attending the upcoming Legends of Greely Baseball Dinner and Auction, held this year at Toddy Brook Café on Saturday, March 23, 2019 beginning at 6pm
