WBDC Community Dialogue

Saturday, May 12th at 10am

At NYMS

To continue its mission of rebuilding Wescustogo Hall the Wescustogo Building and Design Committee will sponsor four Community Dialogues. The upcoming meetings will primarily focus on the uses that the building will have and the ways the community will live in it.

The plans for the new Wescustogo Hall and North Yarmouth Community Center are now complete and posted on the town website (northyarmouth.org). This includes a 3-D animated “walk” through the building. Using this tool is a fascinating way to “experience” the building

Greely Middle School Drama

May 11 & 12 at 7pm

\$5 donation at the door

Greely Middle School Drama is proud to present "This is a Test", a one-act comedy by Stephen Gregg. It's a nightmare of a school day... As the ticking clock reminds you, you have only 60 minutes to complete this oh-so-important predictor of your future. But you didn't get the review sheets, the teacher doesn't seem to like you, and your classmates are blatantly cheating. Time is passing and the voices in your head keep reminding you that though you may be having trouble with the test, your personal life is far, far worse! The essay question is in Chinese, and things aren't going to get any better... Come enjoy a laugh and a smile with our talented and enthusiastic students!

**Friday & Saturday evenings May 11, 12 at 7pm
at Greely Middle School in Cumberland, ME.**

There is a \$5 requested donation at the door to support the program. Family audiences welcome.
