Looking for Tennis Tables

The [Events Committee](#) and the [Living Well in North Yarmouth Committee](#) are collaborating on sponsoring a table tennis tournament. To accomplish this the committees must first come up with equipment. Therefore they are soliciting contributions of tennis tables families would be willing to either give or donate on a long term basis to the town. The tables must be portable and must be able to be folded.

These donated tables will form the nucleus of tables available for a weekly, day or evening, opportunity to play and bottom line, to have fun. 6 tables is the target. Donated paddles and nets will be accepted. The committees are also happy to accept currency donations.

Any person inspired to work on this project is encouraged to call Steven Palmer, 829-6230 or email shpalmer@maine.rr.com.
