Skyline Farm Carriage Museum's current exhibit "Ladies and Gentlemen" shows how horse-drawn vehicles were designed and built specifically to match various sizes, classes and genders of their occupants. This exhibit shows the "finer" lighter vehicles which were generally built for women and the "bulkier" heavier ones for men.

As you walk through the exhibit, you can have fun guessing who the vehicle was originally built for, and the answers are on each podium.

The museum, located at 95 The Lane, North Yarmouth, is open for public viewing on Sundays through June 30, 1-4 p.m. or by appointment. Free admission; donations are appreciated. For more information, contact Greg Cuffey at (207) 892-0188 or info@skylinefarm.org. Skyline Farm is a nonprofit, all-volunteer organization.
