Welcome Vanessa Farr of Maine Design Workshop

Recently hired as the Town’s Economic Development & Planning Consultant

Vanessa is the Principal of Maine Design Workshop and practicing planner with over fifteen years of municipal planning experience prior to launching MDW in 2015. Having led town planning departments in both Massachusetts and Maine, Vanessa is familiar with development and permitting processes, and as one client said, is *“well-versed in town hall”*.

For more information about Vanessa check out her webpage at www.mainedesignworkshop.com or give her a call at (207) 671-7885, she would love to talk with you and hear your thoughts and ideas for North Yarmouth.

Q: Which bin do I put it in?

A: ecomaine RECYCLOPEDIA

ecomaine.org/Recyclopeda

A graphic with a light blue background on the left and a dark grey background on the right, separated by a diagonal green line. On the left, there is an illustration of a green recycling bin with a recycling symbol and a grey trash bin. The text "Q: Which bin do I put it in?" is written in large black letters. On the right, the text "A: ecomaine RECYCLOPEDIA" is written in white and green. Below the text is the website address "ecomaine.org/Recyclopeda".

Did you know that paper towels, napkins, and tissues are **NOT** recyclable? These items have fibers that are too small to reprocess into new materials therefore, they **cannot** be recycled. If you are ever wondering, "Which bin do I put it in?" ask ecomaine's [RECYCLOPEDIA](#). **AND remember to put your recycling in a bin, not a bag!**
