The Cumberland Woodbank needs your help.

The woodbank takes donated hardwood logs, processes them, and sells the wood to the public. All proceeds from the sales go to fuel assistance for needy families throughout the region.

This year, orders have been high with supply of donations low. They are currently 30 cords short and are desperately seeking donations to meet demand. If you have hardwood logs to clear, or know of someone (or some group) that has hardwood to donate, please contact us:

**A Message from Brian Sites
Chair of the Parks and Recreation Committee**

Getting ready for summer!

We will be having designated clean-up days for parks and trails over the next few weeks/months. Recently, a group of volunteers cleared most of the Sam Ristich Trail to get it in shape for seasonal usage. It's rewarding work and all you need is a smile and some work gloves to really make a difference!

A Fun Spring Activity on Mountfort Road

Residents of Mountfort Road came out of hibernation to enjoy the spring sunshine and clean up their road! Armed with work gloves, "pickup sticks," and Smartcarts, the gang spent a couple of hours hauling in several big orange bags of trash and lots of returnable bottles and cans.

The company was great and the exercise was even better!

It was a great way to welcome new neighbors and get reacquainted.

Plans are in the works for a yard sale day and a barbecue.
