NO PLASTIC BAGS IN THE RECYCLING BIN OR CART

**DO NOT BAG**  
**Recyclables**

Collecting recyclables in a bag?  
Empty the contents into your bin or cart.

 Return plastic bags to retailers.

Questions about recycling? Check out the free RECYCLOPEDIA mobile app at [ecomaine.org/Recyclopeda](http://ecomaine.org/Recyclopeda) or call (207) 773-1738!

This change is due to an increase in the amount of contaminated recycling received by ecomaine. Plastic bags are a contaminant and not recyclable through our curbside recycling program. The only items that will be collected by Casella are trash in the orange Town of North Yarmouth PAYT Bags and recycling in bins/boxes or properly labeled carts. If you need a label for your bin/cart, recycling stickers will be available at Town Office.

**Cumberland County Sheriff's Office is asking residents to keep a close eye on delivery of their packages as we have had some thefts in the area.**

**Here are some important tips to help keep your purchases out of the hands of thieves.**

First think about having packages delivered where you are. For example, if you work all day you might want to think about having packages shipped to you at work or you can also set alternative pickup options. Most major delivery companies have other access points where you can go to pick up your packages near your home to prevent them from being stolen.

For example, UPS has an Access Point Network where you can pick up your package at a local grocery store or convenience store.

Another good idea is to track your package so you know exactly when it will arrive. This way you can plan to pick it up as soon as it's delivered or have a neighbor grab it for you.

Talk to your neighbors and encourage each other be on the lookout for suspicious activity, like a vehicle following a delivery truck or a stranger taking a package from outside of a home, and report any suspicious activity to police. (911 or 207-774-1444)

Home surveillance cameras can also help deter thieves. They should be placed so the cameras are visible to thieves but high enough that they can't be tampered with.

## GREELY FOOTBALL

If you haven't heard, this year we are extending our flag program through 6th grade. 2-6 graders can now play flag football as part of the NFL Flag Football program and PYFL. K-1 will continue to be the program we have offered in previous years. Flag Football is a great introduction to the game while having having fun staying active. This is a non-contact sport for boys and girls.

The cost is \$50 (K -1 Gr) and \$75 (2 – 6 Gr ) you will get a Team Shirt. Practice for the 2018 season is yet to be scheduled. Once practices begin players should wear shorts, t-shirt and cleats (recommend mouth guard). Register Now
