The 2018 Fall Brochure is now available online! They are accepting registrations for most programs now. They are currently accepting registrations for fall soccer, running club & field hockey.

You may register either [online](#) or in person.

If you have any questions, please contact the Recreation Department at 829-2208.

If you are a veteran (or if you know a local veteran) we want to make you aware that over the next few months, an intern at the Prince Memorial Library in Cumberland, will be reaching out to our vets to help you get signed up for the [Library of Congress's Veterans History Project](#). Of course participation is voluntary - we simply want to make you aware that this is a legitimate initiative. Last but not least, thank you for your service to our nation and this community!
