### ***Be a First Greeter!***

First Greeters is a program that welcomes new neighbors by reaching out to meet them and to help them become acquainted with their new town. Town officials estimate approximately 30 new residents (households) join our community annually. First Greeters reach out to these folks and with permission, meet them, answer questions and become neighbors.

Several people have already volunteered to be First Greeters. An orientation is planned for September 27th at 7pm in the town office meeting room.
