Select Board Proclaims Fun Day as North Yarmouth Fire Rescue Hero Appreciation Day

Town of North Yarmouth Proclamation

North Yarmouth Fire Rescue Hero Appreciation Day *September 17, 2016*

Whereas, the annual community event known as Fun Day will be held in the month September and is celebrating Heroes, and

Whereas, the men and women of North Yarmouth Fire Rescue Department undergo significant education, training, and personal sacrifice to achieve the expertise required to respond to emergency situations for public good; and

Whereas, firefighters and emergency medical service personnel play an essential role in the protection of lives and property in our local community; and

Whereas, the events of September 11, 2001, brought national attention to the duties, responsibilities, hazards, and sacrifices faced by fire and emergency services personnel on a daily basis; and

Whereas, these men and women come together to protect and aid the public in the event of an emergency 24 hours a day, seven days a week; and

Whereas, these selfless individuals are prepared to assist North Yarmouth residents and surrounding communities at a moment's notice, often putting their lives in danger to help others; and

Whereas, it is appropriate that we recognize these individuals for their accomplishments, sacrifice, and dedication to the North Yarmouth Fire Rescue Department and the community; and

Whereas, it is most fitting to call forth these individuals today on this auspicious occasion and acknowledge that they are indeed our distinguished community Heroes.

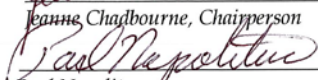

Now, Therefore, We, the Select Board of the Town of North Yarmouth, do recognize September 17, 2016, as North Yarmouth Fire Rescue Department Hero Appreciation Day. We extend our appreciation to those men and women of the NYFRD and to all those alike for the vital services they perform and their exemplary dedication to the communities they represent.
