

How to Prevent the "Second Shovel"!

As you're looking out of your driveway, make sure the LEFT side of your driveway is cleared out. That way when the plow comes around there's room for the plow's snow to go somewhere. If not, you'll get the plow's snow in that spot and thus your second shovel.

How Can I Keep Snow Out of my Driveway?

Before your street has been plowed, we recommend the following:

Using this method to clear snow will reduce the amount of snow that accumulates at the end of your driveway!
