To: North Yarmouth Planning Board  
From: North Yarmouth Fire Company  
Reference: Fire Barn Application  
07/01/2021

To Whom it may concern, the North Yarmouth Fire Company is looking to conduct its approval meeting on July 13<sup>th</sup> to move forward with the planning board process of the Fire Barn Project. We are meeting with the Select Board on Tuesday June 6<sup>th</sup> @ 19:00 to finalize our lease with the town for the property. With the approval of the ordinances at this years Town Meeting, we no longer need a waiver on the setback requirements as laid out in section 10-4: B-3.

I met with the ADA to discuss any requirements that we would need to meet for this building. Based on the building use and its primary function as storage, we do not fall into any ADA requirements. With that said, the entrances to the building will allow for easy entry and egress for anyone visiting the building. The building is on a single floor and there is not any issues with entry or egress to the building.

These were the two items that we were asked to answer prior to approval of the project. Should you have any further questions, please feel free to reach out to me at 207-829-3025.

Sincerely  
Gregory A Payson
