

The information contained in this report is intended to inform the Board of Selectpersons, staff, and residents some of the current activities taking place within the manager's office or the Town in general. All topics are open for discussion.

Much of my time during this period has been spent solely on budget items and preparations for the Annual Town Meeting. Unfortunately, due to illness, my schedule & priorities has had to change. However, I do not foresee any issues.

Other Public Hearings: The Board should determine Public Hearing date(s) for Charter changes and any ordinance changes (except zoning) at this meeting.

Fire Rescue Department Ordinance - Included in the Board's meeting materials is the current town ordinance with the proposed changes shown in red and blue. Also included is the same ordinance with proposed amendments applied to the document.

Respectfully,

Rosemary

Rosemary E. Roy, Town Manager
