

NORTH YARMOUTH RECYCLING COMMITTEE PRESENTS THE

# PLASTIC-FREE OCTOBER CHALLENGE!

The amount of plastic the world uses is **FRIGHTENING!** Each year, 400 million tons of plastic is produced and less than 8% of it ends up getting recycled.<sup>1</sup>

The North Yarmouth Recycling Committee is working to reduce the plastic used in our town, one household at a time.

Join us by taking the Plastic-Free October Challenge and minimizing your use of plastic as much as possible.

Scan the QR code and/or follow us on North Yarmouth social media for more information and to learn about Simple Sustainability Swaps you can make to use less plastic.
