W-P Project No. 20451A

Ryan Keith
Code Enforcement Officer
10 Village Square Road
North Yarmouth, ME 04097

Subject: North Yarmouth Booster Pump Station
Yarmouth Water District Site Plan Review

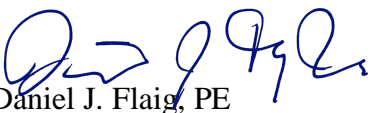

Dear Mr. Keith:

On behalf of the Yarmouth Water District, we are requesting the Planning Board consider the application for Site Plan Review of the North Yarmouth Booster Pump Station at the February 9, 2021 Planning Board meeting. Enclosed are 10 copies of the Site Plan Review package and two full size (24"x36") sets of the plans for the proposed project located on District-owned property at the corner of Route 9 (Memorial Highway) and Sweetser Road in North Yarmouth. We have also emailed an electronic copy of the Site Plan Review package to Tracey Cox, Executive Assistant to CEO/Assessor. An application fee of \$250 will be dropped off at the Code Enforcement Office by someone from the Yarmouth Water District.

We trust this information will be adequate for your review, and we look forward to discussing this project with you and the Planning Board at the February 9, 2021 Planning Board meeting. If you need anything further, please contact us.

Sincerely,

WRIGHT-PIERCE
