ARTICLE 1 GENERAL

- 1.1 **Purpose:** The Town of North Yarmouth, Maine (“Town”) owns three (3) public cemeteries (“Cemeteries”) in North Yarmouth. The North Yarmouth Cemetery Commission (“Commission”), was formed in 1910, was created by citizens of North Yarmouth to maintain and administer these cemeteries as well as to manage the funds established for the benefit of the Cemeteries. The Town and the Commission work closely together to preserve and protect the Cemeteries as peaceful and beautiful areas that serve as reverent symbols of the citizens’ respect for the deceased. To accomplish these goals, rules and regulations (“Rules and Regulations”) are used to influence the conduct of individuals while they visit the Cemeteries. In formulating these Rules and Regulations, a balance of the interests of the various stakeholders (purchasers and owners of rights of interment or inurnment; family, friends, and acquaintances of the deceased buried therein; North Yarmouth citizens and taxpayers; maintenance workers; and commercial service providers) is taken into consideration. In particular, the Rules and Regulations are based upon a proper fit of the Cemeteries in North Yarmouth, aesthetics of the park-like spaces, the cost of maintaining them, historical preservation, civic pride, and, most important of all, **safety of all who enter these Cemeteries.** All persons visiting the Cemeteries will be expected to abide by these Rules and Regulations.
- 1.2 **Amendment:** The Commission hereby reserves the right to adopt additional rules and regulations or to amend, alter, or repeal any rule or regulation at any time they deem appropriate. The Commission also reserve the right to waive or temporarily

North Yarmouth Cemetery Commission Rules and Regulations

suspend or modify one or more of these Rules and Regulations in unique situations that may arise in which strict enforcement may result in undue and unfair hardship or other unintended consequence. Such waivers or temporary suspensions or modifications of Rules and Regulations are expected to be very rare, based upon good reasoning and rationale, and not necessarily binding precedent for later situations.

- 1.3 **Reserved Rights:** The Commission reserves the right to enlarge, reduce, re-plot, or change the boundaries or grading of the Cemeteries, or a section or sections thereof, from time to time, including the right to modify or change the location of, or remove or re-grade roads, drives, or walks, or any part thereof. The Commission also reserves the right to lay, maintain and operate, or alter or change, pipe lines or gutters for water systems and drainage purposes and to use cemetery property, but not inconsistent with Rights of Interment already sold to Grantees, for cemetery purposes, including interment and inurnment of the dead, or for anything necessary, incidental, or convenient thereto. The Commission reserves to itself and to those lawfully entitled thereto, a perpetual right of ingress and egress over burial sites for the purpose of passing to and from other burial sites.
- 1.4 **Access:** The Cemeteries shall be open to the public seven days per week from one-half hour prior to sunrise to one-half hour after sunset. No individual shall walk across lots or lawn unless it is necessary to gain access to a particular burial site. The Commission and Town expressly disclaim responsibility for any property damage or injury sustained by any person violating this rule. Commission officials and their agents, maintenance workers, and funeral workers may enter the Cemeteries outside of these hours if necessary for the timely completion of their tasks.
- 1.5 **Vehicles:** Motor vehicles must stop when meeting a funeral cortege and only resume movement when the procession passes. Maximum speed is ten (10) miles per hour. No vehicle may be driven or parked across or upon any burial site or lawn. Parking or leaving any vehicle on any road or drive in such a way as to prevent any other vehicle from passing is prohibited. Commercial vehicles that are not directly involved in the business of the Cemeteries are not permitted. Snowmobiles and unregistered motor

North Yarmouth Cemetery Commission Rules and Regulations

vehicles such as dirt bikes and all-terrain vehicles are prohibited within the Cemeteries except as may be in attendance at funerals.

- 1.6 **Enforcement:** Any violation of these Rules and Regulations will be treated as a trespass or nuisance, depending on the violation, and will be referred to the Town Manager or Maine State Police or Cumberland County Sheriff accordingly. Violation of the Rules and Regulations may also lead to prosecution for violation of federal or state laws. Improper conduct or violation of Rules and Regulations by anyone may result in a request to leave the Cemeteries.
- 1.7 **Waste:** Individuals who enter the Cemeteries must carry out all waste that they create while in the Cemeteries. Depositing of waste, rubbish, and debris on the grounds of the Cemeteries, or neighboring/adjacent property, is prohibited.
- 1.8 **Functions:** The only group functions that are allowed within the Cemeteries are funerals, burials, memorial services, and educational tours. Other types of functions are not permitted unless permission is sought and granted by the Commission and the North Yarmouth Code Enforcement Officer.
- 1.9 **Corrections:** The Commission reserves, shall have, the right to correct any errors that may be made by it or its agents in making interments, disinterments or removals, or in the description, transfer or conveyance of any Rights of Interment or interment property. Such corrections may include cancelling such conveyance and substituting and conveying in lieu thereof other Rights of Interment or other interment property of equal value and similar location as far as possible, or as may be selected by the Commission, or, in the sole discretion of the Commission, by refunding the amount of money paid to the Town on account of said conveyance. In the event such error shall involve the interment of the remains of any person in such property, the Commission reserves the right to remove or transfer such remains so interred to such other property of equal value and similar location as may be substituted and conveyed in lieu thereof.
- 1.10 **Town Clerk:** Town Clerk is the official Town Clerk of North Yarmouth, or holder of a successor position in the Town of North Yarmouth.

North Yarmouth Cemetery Commission Rules and Regulations

- 1.11 **Losses:** Reasonable precautions will be taken to protect Grantees from loss or damage, but the Commission and the Town will not be responsible for loss or damage from causes beyond their reasonable control, and especially from damage caused by the elements, an act of God, common enemy, thieves, vandals, malicious mischief-makers, explosions, unavoidable accidents, invasions, insurrections, riots, or order of any military or civil authority, whether the same be direct or collateral.

ARTICLE 2 RIGHTS OF INTERMENT

- 2.1 **Rights:** The Town Clerk will issue a Right of Interment (“Right”) (right to bury human remains or to bury the ashes of a human being (“cremated remains” or “cremains”), the latter hereinafter referred to as an Inurnment) upon the payment in full of the current price for such rights. Purchase of a Right in no way grants any other rights or privileges to the purchaser, and a Right is subject to these Rules and Regulations. No Right shall be used for any purpose other than the burial or the memorializing of the human dead, or the cremains of the human dead. The statement of any employee or agent of the Commission or Town, unless confirmed in writing by an authorized representative of the Commission or Town, shall in no way bind the Commission or Town.
- 2.2 **Contact:** Individuals considering the purchase of a Right should contact the Town Clerk at the North Yarmouth Town Office. The Town Clerk will aid the individual in making a decision to purchase.
- 2.3 **Payment:** Complete payment of the purchase price for the Right must be made to the Town before any burial is permitted. No partial payments will be accepted. Upon full payment for the Right, and signing of Grantee Acknowledgement Form, the Town Clerk will issue an executed document signifying the granting of the Right. A portion of the payment for Rights shall be added to the Commission’s Perpetual Care Fund. The principal of the Perpetual Care Fund is nonrefundable and must remain intact in trust in perpetuity for the care of the Cemeteries.

North Yarmouth Cemetery Commission Rules and Regulations

It shall be invested and a prudent portion of the net income and appreciation from this Fund shall be applied annually by the Commission to the operating costs of the Cemeteries.

- 2.4 **Grantee:** The Grantee is the individual who has purchased the Right, or has inherited the Right from a deceased predecessor Grantee. The Grantee “owns” the rights, but does not own real property, just the right to use one or more specific burial sites in the Cemeteries subject to all of the Rules and Regulations as well as applicable laws and ordinances. It shall be the duty of the Grantee (or Grantee’s descendants or assigns) to notify the Commission or the Town of any change of address or ownership by inheritance. Any purported change in ownership must be supported by adequate evidence to the satisfaction of the Commission.
- 2.5 **Descent:** The laws of the state of Maine govern the descent of title to Rights. Upon the death of a Grantee, the heirs or devisees of such person should file with the Town Clerk proof of ownership for the purpose of correcting the record. Notarized statements as to relationship and certified copies of wills or court decrees (if any) are normally sufficient. The Commission shall charge an administrative fee for each descent of title of each burial right (space).
- 2.6 **Repurchase:** The Commission and/or The Town have no obligation to repurchase Rights from Grantees. Each and every request to repurchase shall be considered by the members of the Commission at their Annual Meeting and will be decided on a case by case basis. Prior decisions to repurchase or not to repurchase Rights will not have any bearing or influence on any subsequent request to repurchase. If the Commission decides to repurchase Rights, it will pay the Grantee no more than the price originally paid by the Grantee for the Right, less the Perpetual Care Fund portion which will be retained in the Perpetual Care Fund.
- 2.7 **Transfer:** Attempts by Grantees to transfer rights to other parties will not be recognized by the Commission or Town unless consents of the Chairman and Clerk of the Commission are given, and the transfer is endorsed by the Town Clerk on a Transfer of Right Form, such forms to be obtained at the Town Office. If Perpetual Care was not previously paid for the Right to be transferred will be pending payment of the Perpetual

North Yarmouth Cemetery Commission Rules and Regulations

Care Fee at the current rate prior to issuance of the executed Transfer of Right Form.

The Commission shall charge an administrative fee for each transfer of each burial right (space).

2.8 **Exchanges:** The Commission may, but is not obligated to, allow exchanges of Rights for different burial sites within its Cemeteries. Members of the Commission at the Annual Meeting shall consider requests for such exchanges. If Perpetual Care was not previously paid for the Right to be transferred will be pending payment of the Perpetual Care Fee at the current rate prior to issuance of the executed Transfer of Right Form. The Commission shall charge an administrative fee for each exchange of each burial right (space).

2.9 **Sale of Rights for Burial Sites:** Effective October 19, 2015 Sites in Range N and any future ranges in Walnut Hill Cemetery be sold in consecutive order and that Range M and any future ranges in Pine Grove Cemetery to be sold in consecutive reverse order starting with row 19 lot A (last lot to be sold in range would be row 5 lot L). Also, to allow the Clerk to use his/her best judgment to keep a sale of several lots at once grouped together when not enough lots are available in one row. See example below.

ROW	A	B	C	D	E	F	G	H	I	J	K	L
19	Sold

A person wants to purchase 4 lots and there is only two lots left in Row 19, the clerk could either move to the next row 18 and sell lots A,B,C,&D (shaded in orange) or sell lot K & L in Row 19 and lots K & L in Row 18 (shaded in green)

ARTICLE 3 CARE OF BURIAL SITES

- 3.1 **General:** The general care of the surface conditions of the Cemeteries is the responsibility of the Commission and includes cutting the grass, trimming bushes and trees, and raking and cleaning the grounds. The Commission does not assume the responsibility for caring for or planting flowers or ornamental plants, or repairing or replacing Monuments or Markers.
- 3.2 **Burial Site:** Burial Site is the basic unit of space within the Cemeteries used or intended to be used for the burial of human remains. It is also commonly referred to as a single “grave site” or “burial space.”
- 3.3 **Boundary:** No burial site shall be defined by a fence, railing, hedge, crypt, or enclosure of any description. Boundaries that existed prior to the adoption of this rule on March 4, 1998 around burial sites may be maintained as a boundary, but no one is allowed to add to or replace them.
- 3.4 **Cleanup:** The Public Works Department shall conduct a fall cleanup between October 1 and November 15 of every year, and a spring cleanup between April 15 and May 23 of every year. Any items of value to the Grantees shall be removed by the Grantee prior to the cleanup periods.
- 3.5 **Removal:** The Commission, Clerk or their agent/designee has the right to remove all floral designs, vases, urns, decorations, flowers, shrubs, wreaths, plants, and other materials placed in Cemeteries that, in their opinion, become unsightly, dangerous, detrimental, diseased, or that interfere with normal maintenance of Cemeteries.

North Yarmouth Cemetery Commission Rules and Regulations

- 4.3 **Delay:** The Commission and Town shall not be responsible or held liable for any costs or damages for any delay in an interment/inurnment due to a written, timely protest to the interment or inurnment by a third party, or where the Rules and Regulations or any law or ordinance has not been complied with. The Commission is under no obligation to recognize any protest of an interment or inurnment unless it is in writing and delivered to the Clerk, or Chairperson of the Commission.
- 4.4 **Location:** When an interment is to be made, the location of such interment shall be designated by the Grantee of the Right or their representative or agent. Should the Grantee or their representative fail or neglect to make such designation, particularly when the Grantee owns rights in multiple burial sites, the Commission reserves the right to make or direct the interment in a location designated by the Clerk. An individual who presents himself or herself as having the authority of the Grantee for this purpose of locating an interment or inurnment shall certify in writing that they have such authority and accept full responsibility and liability for their actions, and will hold the Commission, Clerk, and Town harmless from any liability, including legal costs, on the account of such authority and disposition.
- 4.5 **Instructions:** Prior to the interment or inurnment, Grantees or their heirs or representatives are encouraged to provide the Superintendent a written communication as to the location of the burial. The Commission cannot be responsible for a mistake as to the particular space or location in the plot resulting from lack of precise and proper written instructions (for example, mistake caused by any order given by telephone).

North Yarmouth Cemetery Commission Rules and Regulations

- 4.6 **Grave Liners:** In order to maintain a high standard of care and to eliminate sunken graves, all burials must be made using rigid and durable outside containers (commonly known as “vaults,” “grave liners,” and “concrete boxes”) made of natural stone, reinforced concrete, or any similar container approved by the Superintendent. Cremated remains must be interred in a permanent container approved by the Superintendent.

All interments of multiple bodies/cremains shall be located and made by the Clerk or Agent of the Commission. No double depth standard interments will be made.
- 4.8 **Prohibition:** Interments and inurnments are to be performed only by the Commission, Clerk or individuals or entities approved by the Commission. Grantees and other parties not approved by the Commission are specifically prohibited from performing interments or inurnments. The Commission and Town will take all reasonable action to rectify any such prohibited burials and seek damages and costs from violators of this rule. The Commission, Clerk and Town will not be responsible for recording the unauthorized burial, including the identity of the deceased.
- 4.9 **Animals:** No animals domestic or wild will be interred in the Cemeteries.
- 4.10 **Movement:** Monuments and Markers may have to be moved or removed to gain access to burial sites for purposes on interment or inurnment. The Commission, Clerk or Agent will restore the moved items to their initial position as soon as time and weather permit.
- 4.11 **Directors:** All funeral or burial parties entering Cemeteries shall be under the direction of a funeral director licensed by the state of Maine who shall abide by the Rules and Regulations.
